Dear [Redacted]

**Freedom of Information (Scotland) Act 2002 (FOISA)
Request for Information**

I refer to your information request received by the Council on 30 August 2018 in which you ask for the following information:

Please provide details of the current (as at today's date) average weekly rates and costs which privately funded care home residents are charged by the Council for each care home either owned and/or operated by the Council. When we refer to privately funded residents we are referring to those residents who are assessed as having capital above the upper limit of £27,250 (and excluding any entitlement to free care). Please provide the requested information on a per care home basis.

Holding the Information

The Council has searched its records and has located all of the information that you have requested.

Response to Request(s)

The Council operates eight care homes and the average weekly rate for each care home which privately funded care home residents are charged is £419.89 per week.

Request for Review

The Council has a Review Panel to deal with complaints from people who are not happy about the way that it has handled their request. Staff not involved in the original decision will handle any review.

If you want to complain, you can ask the Review Panel to look at the way that we have dealt with your request. It will consider whether we have complied with the requirements of FOISA. Please note that if you wish to complain, you must do so by 22 November 2018. You must explain why you are not happy when requesting a review.
