Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your request for information which was received by West Dunbartonshire Council on 31 August 2018 about:

Please provide details of the current (as at today's date) average weekly rates and costs which privately funded care home residents are charged by the Council for each care home either owned and/or operated by the Council. When we refer to privately funded residents we are referring to those residents who are assessed as having capital above the upper limit of £27,250 (and excluding any entitlement to free care). Please provide the requested information on a per care home basis.

Council's Response

As at the 5/9/18 West Dunbartonshire Council's average weekly rate is £762.88 for self funders in a Local Authority care home.
