Information requested and HSCP response:

On behalf of, and as instructed by our Client, we hereby make a request under the Act to be provided with the following information:

Please provide details of the current (as at today's date) average weekly rates and costs which privately funded care home residents are charged by the Council for each care home either owned and / or operated by the Council. When we refer to privately funded residents we are referring to those residents who are assessed as having capital above the upper limit of £27,250 (and excluding any entitlement to free care). Please provide the requested information on a per care home basis.

In so far as any of the requested information contains personal data, the disclosure of which is exempted under section 38 of the Act, we request that the information is provided with the personal data redacted.

Response

North Ayrshire Council has only one Council operated Care Home which is Montrose House based on the Isle of Arran.

The weekly rate is £593.89 less the £174.00 free personal care element  
= £419.89
